Representative Lisa Subeck Call on Department of Public Instruction to Investigate Possible Private School Voucher Fraud

Madison, WI – Today, Representative Lisa Subeck (D-78) sent a letter to State Superintendent of Public Instruction Tony Evers, calling on his department to investigate whether fraud has been committed by the pastors and director of a private voucher school after a news story ran indicating the a voucher provided for their own child's enrollment was used to help with other children's tuition. The school involved, Lighthouse Christian School, is the only school in Dane County participating in the statewide voucher program.

The original story aired on WISC-TV and may be found at: <http://www.channel3000.com/news/Parents-consider-impact-of-public-school-voucher-expansion/31102130>
